This form is intended for students who would like to pre-schedule their desired eSchool courses at the beginning of a set marking period during the regular 2013-14 school year. Students requesting a start date between marking periods as part of rolling enrollment should submit the standard eSchool course request form after the start of the school year. **Please turn this form into your counselor for processing.**

All students will still be required to complete Orientation prior to the start of their first eSchool course.
