Students whose overall attendance **and/or** academic performance does not meet the following minimum academic criteria will be placed on Academic Probation and may be removed from eSchool at the end of the closest marking period.

### **Minimum Attendance Requirement**

Students may not exceed **45** absences during the Academic School Year without a medical excuse. **An absence is defined as no successful completions of assignment/assessments in a course from 12:01 am on Monday until 11:59 pm on Sunday of a calendar week.** If a student is “absent” for a week, they are marked “absent” for each school day of the week (or up to 5 total absences during the week for **each** course).

Students who have met or exceeded the maximum number of days absent (without a medical excuse) may be removed from eSchool, regardless of performance in courses.

### **Steps for Removal from eSchool:**

1. Students and parents/guardians (listed in the student eSchool account) will receive Progress Reports every two weeks via email to indicate how the student is performing in his/her courses. Students and parents/guardians are responsible for keeping all contact information, including active email address, up-to-date.
2. Students who have met or exceeded the maximum number of days absent (without a medical excuse) and/or students who have not been successful in the majority of their courses will be placed on the Academic Probation list.
3. Students on the Academic Probation list will be notified that they are to return to their boundary schools at the end of the closest marking period. Boundary schools will also be notified to expect the students at the start of the next marking period.
4. During the period of Academic Probation, students may be multiple-school enrolled to their boundary schools and have their schedules modified to allow students the opportunity to successfully complete some of their courses by their exit date. For example, students may be dropped to only one or two courses while they transition to their boundary school.
