***The Biggest Ornament Ever***

I went to the store  
and bought the biggest ornament I could see.  
It filled an entire seat in my mother's fat car  
seat.

So I set it down in the seat directly next to me.  
When I got home, I brought my whole family out  
to help.

We all lifted on three,  
took an enormous breath,  
& walked to the family Christmas Tree.  
My dad took out his pocketknife  
and cut the box open with a slash.  
The thing that happened next I do not know,  
it happened with a big clash.

I got up from the ground and  
my dad started to talk.  
Apparently, the biggest ornament ever,  
had made our tree start to rock.  
and it all fell over.

We all decided that next year  
We wouldn't use that ornament.  
Instead we would use a tiny, sheer,  
and littlest ornament ever.  
This year we got a big tree,  
and I think you can guess how that turned out.
