

April 20<sup>th</sup>, 2018

Dear Parent/Guardians and Students:

**The Kenosha eSchool will be administering the computer-based ACT Aspire test to current 9<sup>th</sup> and 10<sup>th</sup> graders on Tuesday, May 1<sup>st</sup> and Wednesday, May 2<sup>nd</sup>.** The ACT Aspire is a benchmarked, standards-based system of assessment in writing, reading, English, mathematics, and science. The district will utilize the score reports to highlight individual student progress towards College Readiness standards and benchmarks.

The overall goal of this assessment program is to provide timely, relevant achievement data on every freshman and sophomore as they begin their high school academic career. With this critical data in hand, district and school personnel can immediately gain insights and plan academic supports and growth opportunities for all students to enjoy success in the classroom.

Students will be tested by grade level with their respective peers at the eSchool office located at **1808 41<sup>st</sup> Place**. The testing time is approximately **5 hours** in total and divided into two sessions and given **over two different days**. Please reference the schedule below to verify the date and time your child should report to the eSchool location.

Grade	Date	Day	Content Area	Time
9	Tuesday	May 1 <sup>st</sup>	Reading/Math	9:15 a.m. - 11:30 a.m.

Students must attend each session in order to complete all of the necessary sections of the exam. **Failure to attend and complete the ACT Aspire test can lead to suspension of your eSchool courses and/or removal from eSchool at the end of the quarter.** Attendance is critical and any student who misses a portion of the test will be required to make it up. In order to make up a test you must contact Kim Gorman at 262-359-7764 or e-mail her at [kgorman@kUSD.edu](mailto:kgorman@kUSD.edu).
