

Student Survey

- Have student log into their Infinite Campus portal account
- In the student's "Inbox" there will be a message with with the name of the survey in the subject. Click on the survey.

- The survey will appear. Have Student complete survey by following directions.
- The student will only be able to complete the survey one time. If the student clicks on the survey again a message will appear the the survey has already been completed.

PLEASE NOTE:

If a student is enrolled in the district after February 8th, 2018 they will not see the link. Please contact the Office of Educational Accountability to have the student added to the survey.

If a student does not see the link in their inbox, they might have already completed the survey at an earlier time. Contact the Office of Educational Accountability and they can check the completion status of a student's survey.
