The Governance Board of the Kenosha eSchool is looking for a few new members. The Governance Board acts as an oversight committee assisting the Principal with the general governance of Kenosha eSchool. We meet once a month during the school year.

As mentioned above, we primarily act as an oversight body. We work with the Principal and review and discuss any policy and budgetary issues associated with the school. We also provide input on the future direction of the school. The Governance Board also must approve many of the policies that the school wants to adopt. The Governance Board is independent of the Kenosha Unified School District, but is accountable to the District Board of Education in ensuring that District policies, rules, and academic standards are adhered to and maintained.

If you have been looking for a way to get involved with Kenosha eSchool and would like to learn more about our charter school and support your child's learning, please consider joining us for a meeting to see what we do and how we work. The once-a-month meetings take place at Kenosha eSchool and usually last about an hour.
